Thank you.

Women of Evergreen Businesses (W.E.B.) is a membership organization devoted to the promotion and success of local women-owned businesses through community support and outreach.

W.E.B. donates funds, supplies and service efforts to many charitable organizations and families in Evergreen, Conifer, and surrounding mountain communities.

W.E.B. raises funds through its annual silent auction, **Angels Unite**, to distribute locally to those who could benefit from a “little assistance”. All donations go directly to recipients.
